

BALLET HAWAII

Dedicated to developing professional ballet in Hawaii.

Ballet Hawaii offers a year round training program and has the reputation of combining outstanding master teachers from international companies with an experienced resident staff.

Creative Dance: (ages 4-5)

Designed to: introduce the student to music and dance; encourage the child to explore the basics of rhythm and movement through music and improvisation; and to develop motor and social skills.

Pre-Ballet: (ages 5-6)

Further preparation for classical ballet training through basic ballet positions and terminology combined with creative movement.

Ballet I: (ages 6 and older)

Provides the dance student with complete fundamental training based on traditional classical ballet technique.

Ballet II through Ballet VII:

These divisions are graded according to technical achievement. Placement is made by The Artistic Director and faculty upon evaluation of the student's progress and development.

Ballet Basics: Excellent conditioning for adults utilizing ballet technique for stretching and toning the body. Levels available for those with none, to "a long-time-ago" experience.
